

RATIFICATION¹ STATUS OF ALL NUCLEAR LIABILITY CONVENTIONS

(as of January 2022)

Notes:

- The term "ratification" used in this map is understood to include all forms of consent to be bound by a treaty such as ratification, accession, acceptance or approval.
- Note by Turkey: Reference to "Cyprus" in this map relates to the southern part of the Island. There is no single authority representing both Turkish and Greek Cypriot people on the Island. Turkey recognises the Turkish Republic of Northern Cyprus (TRNC). Until a lasting and equitable solution is found within the context of the United Nations, Turkey shall preserve its position concerning the "Cyprus issue". Note by all the European Union Member States of the OECD and the European Union: The Republic of Cyprus is recognised by all members of the United Nations with the exception of Turkey. The information in this map relates to the area under the effective control of the Government of the Republic of Cyprus.

This map is for information purposes only. It is without prejudice to the status of or sovereignty over any territory, to the delimitation of international frontiers and boundaries and to the name of any territory, city or area. This map does not indicate the legal status of application of nuclear liability conventions to non-metropolitan territories of any State that is located in areas of the globe that are remote from their mainland.
